## Cleans and protects growing smiles

Designed to help kids maximize each brushing

Philips Sonicare For Kids brush heads feature soft bristles and a rubber overmold for a gentle brushing experience to clean and protect young smiles. Proven to provide superior plaque removal than a manual toothbrush after four weeks of use.

### Provides a superior clean

- Bristle design
- Engineered to maximize sonic motion

### Designed around you

- Works with any Philips Sonicare click-on toothbrush
- Rubber overmold

### Proven to improve oral health

- Part of a better oral healthcare routine

# Highlights

## Bristle design

A contoured profile fits children's teeth and soft bristles provide a gentle cleaning experience.

## Click-on design

Philips Sonicare brush heads click on and off the brush handle for a secure fit and easy maintenance and cleaning. Fits all Philips Sonicare toothbrush handles except: PowerUp Battery and Essence.

## Better oral healthcare

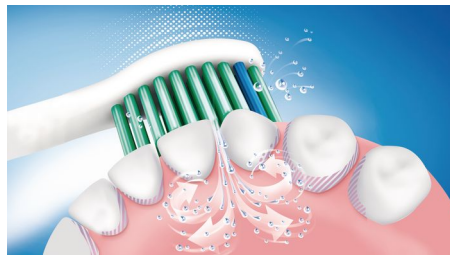

Like all authentic Philips Sonicare branded brush heads, this brush head is safe on teeth and gums. Each brush head has been quality tested for exceptional performance and durability.

## Rubber overmold

Provides added protection for growing teeth and a safer, gentler brushing experience.

## Sonic technology

Philips Sonicare brush heads are vital to our core technology of high-frequency, high-amplitude brush movements performing over 31,000 brush strokes per minute. This dynamic cleaning action drives fluid deep between teeth and along the gumline, for a thorough yet gentle cleaning.
