sonicare

Sonic electric toothbrush

2 Series gum health

2 modes

1 brush head

HX6251/42

Improves gum health up to 100%*

*than a manual toothbrush

Provides superior plaque removal and gum care in an easy-to-use power toothbrush to help prevent and reduce the early signs of gum disease while offering you the most comfortable brushing experience

Improves gum health more vs. a manual toothbrush

- Better than a manual toothbrush for gingivitis
- Removes up to 6 X more plaque along the gumline
- Sonicare dynamic sonic action drives fluid between teeth

Recommended by dental professionals worldwide

- Proven to improve gum health in 3 ways
- Safe on orthodontics, dental work and veneers

Offers a customised brushing experience

- EasyStart programme helps you adjust from a manual toothbrush

Guides you to follow dentist recommendations

- Timers to help encourage thorough brushing

Highlights

Improves gum health in 3 ways

Clinically proven to improve gum health in three ways: reduces redness, swelling and bleeding (sites)

Prevents and reduces gingivitis

With superior plaque removal along the gumline, this toothbrush can help reduce gingivitis up to 100% better than a manual toothbrush in just two weeks

Up to 6x better plaque removal

Removes up to 6 X more plaque along the gumline than a manual toothbrush.

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough-yet-gentle clean

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worrying.

EasyStart

The EasyStart feature adjusts the power level of the toothbrush over the first 14 uses to help you get used to the Sonicare experience, streamlining the transition from a manual toothbrush

Quadpacer and Smartimer

The Quadpacer interval timer indicates when it's time to move to another quadrant of the mouth, while the Smartimer helps you reach the dentist-recommended brushing time of two minutes.
