## Better plaque removal

The switch from a manual toothbrush made easy

The unique dynamic cleaning action of the Philips Sonicare electric toothbrush gently and effectively reaches deep between teeth and along the gumline.

### Provides a superior clean

- Removes up to 2x more plaque than a manual toothbrush

### Proven to improve oral health

- Philips Sonicare toothbrush helps whiten teeth
- Easy-start programme builds your Philips Sonicare routine
- Safe and gentle on sensitive areas, orthodontics and dental work

### Designed around you

- Timers encourage thorough 2 minutes of brushing

### Optimise your brushing

- Philips Sonicare's advanced sonic technology

# Highlights

## Removes up to 2x more plaque

Patented Sonic Technology removes up to 2x more plaque than a manual toothbrush.

## Helps whiten teeth

This Philips Sonicare electric toothbrush helps to remove and reduce stains on your teeth for a brighter smile.

## Quadpacer and Smartimer

It takes just 2 minutes to thoroughly brush your teeth. Our Quadpacer lets you know when you've spent the optimal amount of time on each section of your mouth while our Smartimer signals when your total time is up. Together they help you reach your recommended brushing time, every time.

## Ease into your new routine

Starting something new can take some getting used to. Our easy-start programme gives you the option of a gradual, gentle increase in brushing power with the first 14 uses of your new toothbrush.

## The only true sonic technology

Philips Sonicare's advanced sonic technology pulses water between your teeth, and its brush strokes break plaque up and sweep it away for an exceptional daily clean.

## Safe and gentle

You can be sure of a safe brushing experience: our sonic technology is suitable for use with braces, fillings, crowns and veneers, and helps prevent cavities and improve gum health.
