Improves gum health up to 100%*

*more than manual brushing

Provides superior plaque removal and gum care in an easy-to-use power toothbrush to help prevent and reduce the early signs of gum disease while offering your most comfortable brushing experience

Improves gum health better vs. a manual toothbrush

- Better than a manual toothbrush for gingivitis
- Removes up to 6X more plaque along the gumline
- Sonicare dynamic cleaning action drives fluid between teeth

Offers a customized brushing experience

- Three intensity settings for a gentle experience

Guides you to follow dentist recommendations

- Timers to help encourage thorough brushing

Recommended by dental professionals world wide

- Proven to improve gum health 3 ways
- Safe on orthodontics, dental work and veneers

Highlights

Improves gum health 3 ways

Clinically proven to improve gum health three ways: reduces redness, swelling, bleeding (sites)

Prevents & reduces gingivitis

With superior plaque removal along the gum line, this toothbrush can help reduce gingivitis up to 100% better than a manual toothbrush in just two weeks

Three intensity settings

With three customizable intensity settings (low, medium & high) you can select the right power level to ensure that brushing along the gumline

is comfortable. After 1.5 seconds of brushing, you will have to push twice on button to switch mode. Once to pause and second to switch.

Up to 6x better plaque removal

Removes up to 6X more plaque along the gumline than a manual toothbrush.

Sonic technology

Our sonic technology creates a unique dynamic cleaning action that drives fluid deep between teeth and along the gumline for a thorough-yet-gentle clean

Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worry.

Quadpacer and SmarTimer

The Quadpacer interval timer indicates when it's time to move to another quadrant of the mouth, while the SmarTimer helps you reach the dentist recommended brushing time of two minutes.
