# Highlights

## Improves gum health in 3 ways

Clinically proven to improve gum health in three ways: reduces redness, swelling and bleeding (sites)

## Prevents and reduces gingivitis

With superior plaque removal along the gumline, this toothbrush can help reduce gingivitis up to 100% better than a manual toothbrush in just two weeks

## Three intensity settings

With three customisable intensity settings (low, medium and high) you can select the right power level to ensure that brushing along the gumline is comfortable. After 1.5 seconds of brushing, you will have to push the button twice to switch modes — once to pause and again to switch.

## Up to 7 x better plaque removal

Removes up to 7 x more plaque than a manual toothbrush for a superior clean

## Quadpacer and Smartimer

The Quadpacer interval timer indicates when it's time to move to another quadrant of the mouth, while the Smartimer helps you reach the dentist-recommended brushing time of two minutes.

## Safe and gentle

The gentle motion of this Philips Sonicare power toothbrush is safe for dental work, including orthodontics, implants and veneers, so you can brush without worrying.

## Sonic technology

The Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gum line.
