Whiter, healthier teeth

The ultimate toothbrush for whiter teeth

Everybody loves a bright white smile. Let the natural whiteness of your teeth shine through. Sonicare HealthyWhite electric toothbrush is proven to remove everyday stains in just two weeks, with the regular use of the Clean & White Mode.

Provides a superior clean

- Removes up to 7x more plaque than a manual toothbrush
- Philips Sonicare's advanced sonic technology
- Angled brush head neck for better reach to back teeth

Proven to improve oral health

- Naturally whiter teeth with patented sonic technology
- Clinically proven safe and gentle

Offers a customized brushing experience

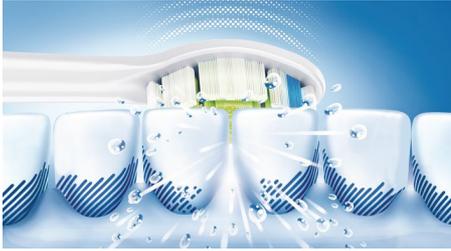

- Easy-start program to acclimate to the Sonicare experience
- Clean and White Mode: proven to remove stains
- Clean Mode: Standard 2 minute mode

Guides you to follow dental recommendations

- Two-minute timer helps ensure recommended brushing time
- Quadpacer interval timer encourages thorough brushing

Highlights

Removes up to 7x more plaque

Removes up to 7 times more plaque from hard to reach places than a manual toothbrush.

Naturally whiter teeth

The dynamic cleaning action of this toothbrush and the direct broader contact with each tooth, has proven to remove everyday stains, to help keep teeth naturally whiter.

Clean and White Mode

2 minutes of Clean mode with an additional 30 seconds of White mode to focus on the visible front teeth. Removes everyday stains, such as coffee, tea, tobacco and red wine. Whitens teeth by 2 shades in just 2 weeks.*

Clean Mode

For exceptional everyday clean. Helps maintain whitening treatments.

Safe and gentle

Your Philips Sonicare Electric Toothbrush is safe to use on: braces (brush heads wear out sooner when used on braces), dental restorations (fillings, crowns, veneers) and periodontal pockets.

Quadpacer

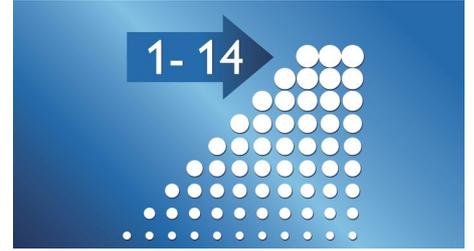

30 seconds interval timer indicates when you have completed each quadrant of your mouth and signals for you to move on resulting in more consistent cleaning throughout your mouth

SmarTimer

2-minute timer on this Philips Sonicare electric toothbrush helps ensure dental professional recommended brushing time

Easy-start program

Gently increases power over first 14 uses to ease into the Philips Sonicare electric toothbrush experience

Angled brush head neck

The uniquely angled brush head neck of this toothbrush head makes it easier to reach back teeth, removing plaque in those hard-to-reach areas.

The only true sonic technology

Philips Sonicare electric toothbrush's unique dynamic action gently and effectively reaches deep between teeth and along the gumline.
