- The Sonicare 5100 tells you when to switch brush heads
- Connects smart brush handle and smart brush heads

Designed around you

- 2 minute brushing time recommended by dentists
- Makes traveling easier for you

Highlights

Sonicare 5100 for gum health

Brushing your teeth is a breeze, with high-quality bristles that remove plaque and improve gum health. In fact, it's up to 100% better than a manual toothbrush.

Safe brushing experience

The best electric toothbrush for braces. The Sonicare ProtectiveClean 5100 can also be used on fillings, crowns, veneers and other sensitive orthodontics.

Customize your brushing

Three modes. Three intensities. Customize your brushing to your cleaning preferences with the Sonicare ProtectiveClean 5100. Clean mode is standard for superior cleaning. White is the ideal mode for removing surface stains. And Gum Care mode adds an extra minute of reduced-power brushing, so you can gently massage your gums.

Sonicare 5100 — a deeper clean

Sonic technology pulses water between your teeth and gums to break up and removes 3x as much plaque along the gumline than a manual toothbrush.

Improves gum health

Densely-packed, high-quality bristles give you an extra gentle brushing to remove plaque along the gumline to improve gum health up to 100% more than a manual toothbrush. And, the specially curved power tip makes reaching the teeth at the back of your mouth a breeze.

Prioritizes your oral hygiene

Sometimes you can forget the last time you replaced your brush head. With its unique BrushSync technology, the head and base will sync-up to remind you when the time comes – with a simple short beep and handle light.

Monitor your brushing pressure

Brushing too hard can damage your teeth and gums. To prevent this, your Philips Sonicare ProtectiveClean emits a gentle pulsing sound to remind you to ease off on the pressure.

BrushSync technology

A microchip-enabled technology that detects and synchronizes the smart brush head with the smart handle. The smart handle and smart brush head pair is a powerful combination that enables Smart replacement reminders.

Smart functionalities

With a gentle pulse reminds you to change to a new part of your mouth, and signals when 2 minutes of brushing time is up. This sonic electric toothbrush gives you the most optimal brush, every time.

Handy travel case and charger

Our premium travel case lets you store your toothbrush hygienically, while our compact charging base keeps you topped up when you're on the go. You do get two weeks of regular use from a single full charge, but the charger's just the ticket for longer trips.
