## Weight and dimensions

- Dimensions brush head packaging: 21.6 h x 6.5 w x 4.1 d cm
- Weight brush head packaging: 0.057 kg

HX7001/11

# Highlights

## Screw-on brush head

Screw-on brush head that will fit our original Sonicare handles

## Reminder bristles

Reminder bristles let you know when to replace the brush head. After three months of normal use bristles exhibit fatigue, and brush heads are less effective. Replace your brush head every 3 months.

## Unique angled neck

The slim angled neck enables you to easily manoeuvre the toothbrush head, particularly in hard-to-reach areas, to remove plaque.
