Sonic toothbrush head
Standard 2-pack

Specifications

Ease of use

- Suitable for these models: Elite, Essence, CleanCare, Xtreme, Advance

Technical specifications

- Operating time: For optimal results, a new brush head is recommended every three months.

HX7002/82

Highlights

Screw-on brush head

Screw-on brush head that will fit our original Sonicare handles

Reminder bristles

Reminder bristles let you know when to replace the brush head. After three months of normal use bristles exhibit fatigue, and brush heads are less effective. Replace your brush head every 3 months.

Unique angled neck

The slim angled neck enables you to easily manoeuvre the toothbrush head, particularly in hard-to-reach areas, to remove plaque.
