AirFloss Pro

2 nozzles

HX8432/02

Healthier gums in 2 weeks, guaranteed*

Designed for inconsistent flossers

For those who don't floss consistently, AirFloss Pro is the easiest way to effectively clean between teeth. AirFloss Pro can be used with mouthwash or water and is clinically proven to be as effective as floss for gum health.**

Improves oral health

- Up to 99.9% plaque removal***
- Clinically proven to be as effective as floss for gum health**
- Helps prevent cavities between teeth

Superior technology

- Air and micro-droplet technology
- High-performance nozzle
- Triple-burst customisable settings

The easiest way to effectively clean between teeth

- Always ready to use
- Fresh and clean with mouthwash
- Takes just 60 seconds: Point, Press, Clean!
- An easy way to start a healthy habit

Highlights

Better gum health

Philips Sonicare AirFloss Ultra is clinically proven to improve gum health as much as floss.** Helps improve gum health in as little as two weeks.

Up to 99.9% plaque removal

Removes up to 99.9% of plaque from treated areas.***

Helps prevent cavities

By gently bursting away plaque that brushing missed, Philips Sonicare AirFloss Ultra helps prevent cavities from forming in the spaces between your teeth.

Micro-droplet technology

Our clinically proven results are possible thanks to our unique technology, which combines air and mouthwash or water to powerfully yet gently clean between teeth and along the gumline.

High-performance nozzle

The new AirFloss Pro high-performance nozzle amplifies the power of our air and micro-droplet technology to make it more effective and efficient than ever.

Triple-burst customisation

AirFloss Ultra's powerful spray can be customised to your liking, with single, double or triple bursts for each press of the activation button.

Cleans in just 60 seconds

With the AirFloss Ultra, cleaning your entire mouth takes less than 60 seconds a day. Simply select your burst frequency (single, double or triple) and hold down the activation button for continuous automatic bursts or press and release for manual burst mode.

Always ready to use

Fill and Charge station automatically fills the handle in less than 10 seconds, holds up to 2 weeks' worth of mouthwash and keeps the handle charged.

Fresh and clean with mouthwash

Use with mouthwash for the ultimate fresh experience and anti-microbial benefits.
