Highlights

Dual Filter system

The Dual Filter system cleans hair, foam and gel. The unique double filter prevents hairs from clogging your shaving heads, maintaining your shaver's excellent performance.

Active lubrication

The active lubrication system reduces friction and wear on shaving heads and blades, keeping your shaver performing as new for longer.

More effective than water

The DualFiltration system and active lubrication leave your shaver up to 10 times cleaner than with water alone

Skin-friendly formula

The alcohol-free, skin-friendly formula gives you a fresh and hygienic shave, and it is designed to protect against skin irritation

Fresh scent

The new cartridge liquid for the SmartClean system has a unique formula and a pleasant fragrance. It hygienically cleans your shaver, while leaving a fresh scent on your shaving heads.

Cleans foam and gel

The Philips SmartClean system with cleaning cartridges is the first shaver cleaning system that effectively cleans shavers used with foam and gel.

6 months' supply

One Philips cleaning cartridge lasts for up to 3 months of weekly usage. This 2-pack gives you 6 months of convenient cleaning.

For all SmartClean systems

The cleaning cartridges are suitable for all shavers with the SmartClean system.
