Highlights

A perfect companion

The handy plug-in microphone turns your mobile voice recorder into an interviewing microphone.

Control with your thumbs

With the innovative USB hand control you now can conveniently handle your transcription workflow with your thumbs.

Easy installation

Very easy to set up, the The Media player typing set includes all you need to efficiently transcribe your recordings.

Ergonomic set

A digital recorder, a media player typing set and stereo headphones for convenient working.

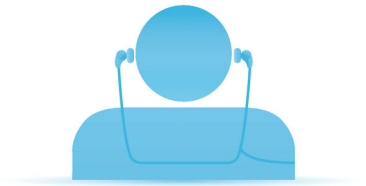

Continuous typing

Control all playback functions with your thumbs! Commands such as play, stop, forward, rewind and a three-second backspace can be given via the smart USB hand control which is simply placed in front of the keyboard. Thanks to plug and play installation, getting started is as easy as winking.

Type your recordings

The ergonomic hand control in combination with the lightweight headphones make the typing of your recordings a pleasure.

Ultra-lightweight headphones

Enjoy the comfort offered by the ultra-lightweight headphones. Even after hours of wearing.
