- Enhanced accuracy because of real non-directional bass distribution
- Clean and easy set up with twin subs integrated in speaker columns

### Cinema Center Speaker™

Philips Cinema Center Speaker™ brings:

- Wider sweet spot through no less than 5 drivers positioned at different angles
- More depth in sound through clearly distinguishing front from background, and action from dialogue
- Natural and crystal clear sound reproduction through the revolutionary new 2" full range woofers

### ClearVoice™

For dialogue enhancement by clearly separating speech from action.

### remote control
