Highlights

Self-sharpening blades

The self-sharpening steel blades on this trimmer for face and body are reinforced with iron and tempered for maximum strength. This results in blades that stay as sharp as day 1. No rusting. No blade oil needed.

10 tools for face, hair and body

This all-in-one trimmer conveniently trims and styles your facial hair, clips your hair and grooms your body.

Metal trimmer

Use the metal trimmer without a comb to get clean, sharp lines around your beard, neck and hairline, or to trim your body hair to a minimum length. The trimmer's self-sharpening blades remain as sharp as day 1, even after 3 years of use.

Full-metal detailer

The narrow design of the steel precision groomer makes it easy to precisely edge and finish small details.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.

7 Impact-resistant combs

Quickly touch up your face and hair with the seven reinforced cutting guards. 2 stubble combs for 1 mm and 2 mm trimming, an adjustable beard comb, 3 hair combs at 9 mm, 12 mm and 16 mm, and 1 body comb.

Up to 70-minute run time

Get up to 70 minutes of cordless use for every 16-hour charge.

Rinseable attachments

Your face and body trimmer is simple to maintain, with non-corrosive blades and water-resistant guards for easy cleaning.

Storage pouch

Declutter your bathroom and gym bag, and keep all your attachments in one place, with the small storage pouch for easy organisation and travel.

Guarantee

We back this Philips trimmer with a 3-year guarantee. Our grooming products are built to last and engineered to give a reliable performance, time after time. This trimmer's parts never need to be oiled, and its battery is compatible with all voltages, worldwide.
