Highlights

Includes 13 pieces

Philips Multigroom 3000 all-in-one hair trimmer gives you full-body coverage with just one tool. It comes with 13 attachments designed to handle hair anywhere, from head to face to body to create your personal style.

Tempered Steel Blades

The self-sharpening steel blades are reinforced with iron and tempered for maximum strength. The non-corrosive metal can be rinsed with water without rusting. No blade oil needed.

Lithium power

This long-lasting trimmer tackles hair on any part of your body with a single charge. The powerful battery can be used for 60 minutes per charge.

High-powered motor

Your body grooming trimmer for face and body has been built to high quality specifications. The full-metal motor with reinforced drive train ensures that your trimmer will withstand constant use.

Impact-resistant guards

Get an even trim every time, with unique reinforced cutting guards designed to prevent bending and buckling that's common with impact.

Rinseable attachments

Your face and body trimmer is simple to clean and maintain, with non-corrosive blades and water-resistant guards for easy cleaning.

Full-metal trimmer

Get a smooth, even cut on even the thickest hair. The body and beard trimmer's precise steel blades create clean, straight lines for a perfect finish.

Full-metal detailer

Create precise styles in smaller areas, thanks to the narrow design of the steel detail blade.

Nose and ear trimmer

Avoid nicks and cuts, as the all-in-one trimmer quickly removes unwanted nose and ear hair.
