Highlights

DualCut technology

Power through any hair type with Philips DualCut Technology, which combines a double-sharpened cutting element with low-friction engineering. The cutting element is designed to perform time after time, cutting hair twice as fast (vs. previous Philips model).

Full-metal trimmer

Enables you to get clean, sharp lines around your beard, neck and hairline, or for a close protective trim of your body.

Precision shaver

Perfect your sideburns and moustache with the precision shaver for your ultimate finished style.

Full-metal detailer

Define your style using the precision trimmer to create fine lines, contours and details.

Nose and ear trimmer

Remove unwanted nose and ear hair easily and comfortably.

7 impact-resistant combs

7 click-on combs for face, hair and body - 1 beard adjustable comb (3-7mm), 2 stubble combs (1,2 mm), 3 hair combs and 1 body comb.

Up to 80 minutes run time

This Philips trimmer gives you up to 80 minutes of cordless use from a single 16 hour charge.

Guarantee

We back this Philips trimmer with a 4-year guarantee. Our grooming products are built to last and engineered to give a reliable performance, time after time. This trimmer's parts never need to be oiled, and its battery is compatible with all voltages, worldwide.
