

MMS101 2-piece PC speaker system

Fun Power PC Audio

- **Active 3 Watts (RMS)**

Delivering the best power and sound quality in its price class. It is perfect for home, business or education.

- **Bass Boost**

Renders rich, smooth bass.

- **Bass Reflex System**

Provides amazing back-firing bass performance from a small enclosure.

- **Acoustically Optimized and Aesthetic Design**

Occupies less desktop space without compromising sound quality. Style and performance are perfectly matched.

- **Headphone Connection**

A headphone can be connected for private listening.

- **Easy to Operate**

Convenient rotary volume control and push buttons for power and Bass Boost. LED indicators display both power and Bass Boost function status.

- **Magnetically Shielded**

Prevents harmful distortion to your monitor, TV or other devices.

Let's make things better.

PHILIPS
