

Analog Speaker System

MMS180

Analog MultiMedia Speaker System

- **HiFi Multimedia Sound**
Clear, crisp digital sound from your PC.
- **Dynamic Bass Boost**
Boosts bass performance – at any volume level.
- **Subwoofer Out**
Extend the bass power by adding a subwoofer (MMS250).
- **Smart Design**
Small and functional design to fit your workspace.
- **Easy Operation**
Rotary volume control and lit (LED) pushbuttons are simple to use.
- **Magnetically Shielded**
Prevents harmful distortion to your TV, monitor or other devices.
- **Active 2x3 watts (RMS) Multimedia Speaker System**
Works with your PC, portable CD or cassette player or other audio-visual sources.
