# Highlights

## Superior reach

The 17,000 power bristles each with a diameter of 75 micron clean even those areas of your face, that your hands can't reach. They remove oil, dirt and dead skin cells thoroughly, leaving your skin clean and smooth.

## Boosts your daily routine

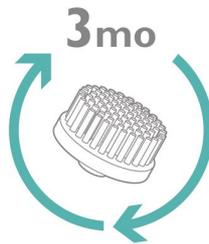

The specially-designed bristles are suitable for use twice per day

## Developed for normal skin

The 17,000 power bristles have a unique design, which enables a thorough cleansing for normal, combination or oily skin types.

## Replace heads every 3 months

To keep your VisaPure MEN hygienic, replace your brush head every 3 months by simply clicking on a new brush head replacement onto your VisaPure MEN.

## Compatibility

Compatible with Philips VisaPure Men, the SmartClick Facial Cleansing Brush SH575 and the facial cleansing brushes of Philips Shaver Series 9000, 7000 and 5000.
