

EMOTIVE MICRO BY PHILIPS

Technical and Rugged

MATT

Dual layer compound construction of compression-moulded silicon rubber and high impact polystyrene interior hugs the chassis. Sides are contoured for increased traction. The rugged sheath is abrasion and fuel resistant. Vented speaker guards sustain maximum sound flow. Conquers all music terrain.

PHILIPS

Incredible Surround™

An exciting, new, psycho-acoustic method of widening the stereo spatial image especially suited for applications with limited separation of left and right speakers.

Bass & Treble Control

Bass & Treble control allows sound adjustment of high and low frequencies to personal preferences.

MP3-CD Playback

Download MP3 songs from the Internet on a PC and record them on a CD. This special "MP3-CD" can now be played on this Audio CD Player. One MP3-CD can carry up to 12 hours of music. Our sets are designed to playback MP3-CDs recorded with a bit-rate (quality level) between 32 kbps and 320 kbps. The set will also handle variable bit-rate recordings

Plays CD, CD-R, CD-RW and MP3 discs

The player offers 100% playback guarantee of CD, CD-Recordable, CD Rewritable and MP3 discs over the entire lifetime of the player. Even CD-RW audio recordings on computers can be used.
