Highlights

Ideal angle for easy reach

Ideal angle for easy reach and maximum comfort

Safeguard trimmer

In the revolutionary Philips SafeGuard trimmer the cutter is protected by an ultra-thin foil guard to ensure only hair can get in, not your

skin. On top of that, your hair cannot get caught between two separately moving cutting blades, so it's guaranteed that there will be no pulling of hair.

Soft grip

The soft-touch rubber grip elements ensure optimal hold, even when wet, for better control when operating your appliance.
