- Sleek, premium design
- Enjoy up to 5 hours' continuous playback\*
- Big screen viewing with S-Video and Component Video output
- Car adapter and slim remote control
- Share entertainment fun with dual headphone jacks

**PHILIPS**  
sense and simplicity

# Highlights

## Play DVD, DivX and MPEG4

With DivX® support, you are able to enjoy DivX® encoded videos in the comfort of your living room. The DivX® media format is an MPEG4-based video compression technology that enables you to save large files like movies, trailers and music videos on media like CD-R/RW, memory cards and DVD-video. DivX® CDs can be played back on selected DVD

players, DVD Recorders and Home Theatre Systems.

## Zero Bright Dot™ screen

Enjoy highest-quality images that are free from annoying blank spots on the LCD screen. LCD displays commonly have imperfections, termed 'bright dots' by the LCD industry. A limited number of bright dots was once considered an

inevitable side effect of LCD mass production. With Philips' strict quality control procedures used for our Portable DVD Players, our LCD displays are produced with zero tolerance for bright dots. Select Portable DVD Players come with Philips Zero Bright Dot™ Policy to guarantee optimal screen quality.

# Specifications

## Picture/Display

- Display screen type: LCD TFT
- LCD panel type: Anti-glare polariser
- Diagonal screen size (inch): 10.2 inch
- Resolution: 800(w) x 480 (H) x 3 (RGB)
- Brightness: 200 cd/m<sup>2</sup>
- Contrast ratio (typical): 250:1
- Effective viewing area: 222.0 X 133.2 mm
