Highlights

Durable Hard Case

The Philips shaver travel case is designed to store and protect your shaver and accessories in one compact hard case. Keep all your shaving essentials in one place and easily take it on the go. The travel case is made with durable materials and a seamless design to complement your style.

Fit a shaver plus accessories

The Philips shaver travel case can fit one of any Philips shaver from series 5000 to 9000, plus up to two SmartClick accessories and one power adaptor.

Multiple storage compartments

The Philips shaver travel case comes with multiple storage compartments and 3 stretchy net pockets. It allows you to organise your shaver and accessories the way you like. Stuff in a Smartclick beard styler and a cleansing brush to maintain grooming routines on your next holiday; or simply throw a couple of bathroom essentials in the side pockets for a short weekend away. The lightweight case has a semi-hard shell, making it flexible and compact.
