# Highlights

## 45+ shaving minutes

An energy-efficient, powerful lithium-ion battery gives you more shaves per charge. You'll have 45+ minutes of shaving time - that's around 15 shaves - after 8 hours of charging. Plug it in for 3 minutes and you'll have enough power for one shave.

## ComfortCut blades

ComfortCut blades have rounded edges that glide smoothly on your skin, so you always get a close - yet comfortable - shave.

## Dynamic Contour Response

Automatically adjusts to every curve of your face and neck for a smoother shave.

## Fully washable shaver

Simply pop the heads open, and rinse thoroughly under the tap.
