# Highlights

## Lift & Cut blades

The Lift & Cut dual blade system lifts hairs to cut comfortably below skin level.

## Dynamic Contour Response

Automatically adjusts to every curve of your face and neck for a smoother shave.

## Super Lift & Cut action

The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

## Jet Clean system

The Jet Clean system keeps your shaver in perfect condition for a superior shave day after day. It thoroughly cleans and lubricates the blades and heads, and also fully charges the shaver in only 1 hour. The pack includes 1 bottle of Jet Clean solution, for up to one month's cleaning. Jet Clean solution is a water-based cleaning fluid that thoroughly cleans and also lubricates the shaving heads - making every shave feel like the first.

## Fully washable shaver

Simply pop the heads open, and rinse thoroughly under the tap.

## 50+ shaving minutes

An energy-efficient, powerful and long-lasting lithium-ion battery gives you more shaves per charge. Charge it for an hour, and you'll have

50+ minutes of shaving time - that's around 17 shaves. Charge it for 3 minutes and you'll have enough power for one shave.

## Efficient power System

Can be used corded and cordless

## LED Display

Indicates: Battery full, Battery low, Charging, Replace shaving heads, Quick charge
