Highlights

Dynamic contour response

The shaver automatically adjusts to every curve of your face and neck for a smoother shave

Efficient power System

Can be used corded and cordless

45+ shaving minutes

An energy-efficient, powerful lithium-ion battery gives you more shaves per charge. You'll have 45+ minutes of shaving time - that's around 15 shaves - after 8 hours of charging. Plug it in for 3 minutes and you'll have enough power for one shave.

DualPrecision blades

DualPrecision blades comfortably shave both long hairs and short stubble. 1. Slots cut long hairs. 2. Holes cut stubble.

Fully washable shaver

Fully washable electric shaver with QuickRinse system rinses clean in less time

LED Display

Indicates: Battery full, Battery low, Charging, Replace shaving heads, Quick charge

Super Lift & Cut action

The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.
