Highlights

3 hours built-in battery*

This Philips player comes with a compact built-in rechargeable battery for long-lasting power. Up to 3 hours of continuous movie, photo and music playback enjoyment can be achieved on a single charge. Just plug in the power cable to recharge the player - it's that simple.

Easy installation and search

Installation and setup is simple and quick. The easy-to-follow user menu will guide you on how to set up the TV. The player automatically searches for all the TV channels available in your area, so you can enjoy your favorite TV programs right away.

Detachable antenna design

The antenna on the Philips portable TV is completely detachable, allowing you to easily connect the TV up to an alternate (e.g., indoor or rooftop) antenna as needed. By doing so, you can be sure of reaching the best TV signal available wherever you are.

Free-to-air digital TV

Expand your entertainment experience and enjoy digital channel programs - for free. With digital TV broadcasting, you can receive free digital TV programs in your country. The signal is kept digital without any analog steps in between, to preserve the highest quality.
