

# PHILIPS

## hair clipper

75 min grooming

Precision: 3-41 mm

QC5345/15

## More power, better haircuts

This powerful Philips hair clipper cuts even the thickest hair, thanks to its sharp steel blades and the most powerful lithium-ion battery on the market. One quick charge provides enough power for 75 minutes of cordless use.

### Easy to use

- 2- year guarantee, worldwide voltage, no oil needed
- Battery light shows the battery status
- Simply rinse clean

### Performance

- High-performance self-sharpening steel blades

### More power, better haircuts

- 21 locking length settings from 0.5mm to 41mm
- Contour-following comb follows every curve of your head.
- 75 minutes of cordless power after 1 hour quick-charge.

# Highlights

## 21 locking length settings

Two adjustable combs provide length settings from 3mm to 41mm, with precisely 2mm between each length. Or you can use it without a comb for a close 0.5mm trim.

## Battery light

Battery light glows green when full and blinks orange when 10 minutes remain.

## Built to last

All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.

## Follows every curve

The hair clipper gently follows the contours of your head for a fast, even and comfortable haircut.

## Li-ion battery power

The powerful lithium ion battery of the Philips hair clipper lasts for 75 minutes after a 1 hour charge. A quick 10 minute charge gives you 10 minutes of clipping time, so it's always ready when you are.

## Self-sharpening steel blades

The steel blades of the electric shaver lightly brush against each other, so they sharpen themselves as you trim! The blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded tips to protect your skin.

## Washable

Simply pop the head open and you can thoroughly rinse it under the tap.

# Specifications

## Service

2-year worldwide guarantee

## Accessories

Cleaning brush

## Cutting system

Cutter width: 41 mm
