### HAIRCLIPPER Series 9000

Premium

Dual sided cutting element

QC5770

## Professional haircuts at home

with 1mm precision & dual-sided trimmer

This hair clipper offers you ultimate precision thanks to its 1 mm length settings and integrated precision trimmer. The 3D contour following comb guarantees skin comfort. And the hair thinning comb creates a natural looking hair cut.

#### **Best performance that feels great**

- 3D contour following comb for speed and comfort
- Diamond like carbon technology stays sharper longer
- Skin friendly blades and comb to prevent scratching

#### **Brings maximum ease of use**

- Multi-functional display for full control
- Storage case to protect all items

#### **Provides optimal power**

- Corded and cordless use for maximum power and freedom
- Strong lithium-ion battery for optimal power use

# Highlights

## 3D contour following comb

The unique 3-dimensional contour following comb closely follows every curve giving you fast and comfortable results.

## Corded and cordless use

Use your Philips trimmer corded or cordless with the recharged battery for maximum power and freedom.

## Diamond like carbon technology

The innovative Diamond like carbon technology ensures the cutting element stays sharper longer.

## Multi-functional display

The multi-functional display shows battery status, chosen length setting in millimeters and whether the hair thinning option is on or off

## Storage case

The high quality case provides a storage solution for all the accessories and protects them from damage

## Skin friendly

The uniquely rounded blades and comb tips prevent scratching the skin.

## Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in only 1 hour for 60 minutes use.
