The Bodyroom shaver is designed for a gentle and comfortable shave on any area below the neck. Trim and shave in one stroke for a completely smooth finish. The shaver head is made with a hypo-allergenic foil and has patented rounded tips to protect your skin while shaving.

Beard comb

Keep your beard at the length you prefer. Choose from 18 length settings in 1mm steps by using the beard comb on the full-sized trimmer.

Hair-clipping comb

Keep your hair neat and styled at the length you prefer by selecting between 18 different length settings on the hair-clipping comb, in 1mm steps (3-20mm).

Bodyroom comb

Trim your body hair to the length you prefer by selecting between 10 different length settings on the body-trimming comb.

Skin-friendly high-performance

Guaranteed best results with precision heat-treated blades made of finely ground Chromium steel. Self-sharpening blades ensure long-lasting performance while rounded blade tips and combs prevent skin irritation.
