Highlights

Beard trimming comb

Keep your beard at exactly the length you like. Choose from 18 length settings in 1 mm increments (1-18 mm) by using the beard comb on the full-sized trimmer.

Hair clipping comb

Keep your hair neat and styled to exactly the length you like by selecting one of up to 18 different length settings on the hair-clipping comb, in 3/20"/ 1 mm increments.

High performance trimmer

Easily create perfect stubble or clean lines around the edge of your beard. This high-performance trimmer with full metal guard delivers a professional, groomed look.

Waterproof

Easy to clean by simply rinsing this groomer under the tap.

Quick 1-hour charge

Up to 50 minutes of cordless power after 1 hour charging.

Skin-friendly high-performance

Blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded blade tips and combs to prevent irritation.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility, and they never need to be oiled.
