Highlights

20 locking length settings

Simply select and lock in the length setting you want: from a stubble of 0.5 mm up to a full beard of 10 mm, in precise 0.5 mm steps.

3-day beard

Set the trimmer at the lowest position for a perfect 3-day beard, just 0.5mm long.

Battery light

Battery light glows green when the battery is full, and blinks orange when 10 minutes remain.

Built to last

All of our grooming products are built to last. They come with a 2-year worldwide guarantee and worldwide voltage compatibility; they never need to be oiled.

Corded and cordless use

Use it plugged in or cordless. 1 hour of charging gives you 60 minutes of cordless power.

Diamond-like carbon blade

Cutting edge stays sharp 3 times longer than traditional stainless steel blades.

Ergonomic design

Easy to hold and use, which helps you trim in those hard-to-reach areas for fast trimming.

High-performance trimmer

The steel blades lightly brush against each other, so they sharpen themselves as you trim! The blades stay extra-sharp to always cut hairs neatly and effectively, but have rounded tips to protect your skin.

Skin friendly trimmer

Rounded blade tips prevent skin irritation, while the ultra-sharp cutting edges deliver an excellent trimming performance.

Easy to clean

To clean the trimmer head, simply rinse it under the tap.
