Highlights

18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

Contour-following comb

Flexing guide comb that follows every curve of your face for an even trim, easily and comfortably.

Corded and cordless use

Use your Philips trimmer corded or cordless with the recharged battery for maximum power and freedom.

Maintenance-free blades

The blades stay sharp and need no oiling, so your product is always ready for use.

Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.
