### **Create the look you want**

- 18 secured length settings from 1mm up to 18mm

### **Provides optimal power**

- Strong lithium-ion battery for optimal power use
- Use corded and cordless

# Highlights

## 18 secured length settings

Select and locks your desired length within a versatile range of possible lengths.

## Clear view hair chamber

Transparent hair chamber makes it easy to see when the chamber needs to be emptied.

## Contour following comb

Flexing guide comb that follows every curve of your face for getting an even trim in an easy and comfortable way.

## Maintenance free blades

The blades stay sharp and need no oiling, so your product is always ready for use.

## Integrated vacuum system

The integrated vacuum mechanism absorbs cut-off hairs during use and gives you a cleaner washbasin after use.

## Powerful Lithium-Ion battery

This product has a powerful lithium-ion battery with quick charge so you can charge the product in 8 hours for 50 minutes use.

## Corded and cordless use

Use your electric beard trimmer corded or cordless with the rechargeable battery for maximum power and freedom.
