### Mixer with Fleximix function

Preparing delicious homemade cakes, pies and bread for your family has never been easier. This 400 W Philips Walita mixer will do all the hard work for you, creating the perfect mixes in minutes. A truly handsfree kitchen helper.

#### **Homogenous dough with no effort**

- Fleximix suspension system to adjust beaters to all corners

#### **Easy storage of beaters and hooks**

- Easy hooks and beater storage on the base

#### **Strong performance for bread dough in minutes**

- Powerful 400 W motor can handle even bread dough
- 5 speeds and turbo for your preferred setting

# Highlights

## Fleximix suspension system

The fleximix function enables the beaters to move in and out during use that enables you to go through even the toughest dough in an easy way.

## 5 speeds and turbo

Start mixing at low speed to prevent from splashing and further mix at your preferred speed with 5 speeds and turbo.

## Easy storage

Store the beaters and dough hooks easily on the base

## Powerful 400 W motor

A powerful motor enables to make tough recipes like bread dough.
