- Sturdy base stands stable, even during kneading
- Form fitting couplings and tools for easy assembly
- 2 years of world wide guarantee
- Dishwasher safe accessories

Highlights

650 W motor

650 W motor for powerful processing

PowerChop technology

PowerChop technology is a combination of blade shape, cutting angle and inner bowl that provides a superior chopping result in both soft and hard ingredients. It is also perfect for making purées and mixing your cake batters!

2 speed settings and pulse

For best results, use the low speed setting (speed 1) to whip cream, beat eggs, create pastries and bread dough. The higher speed setting (speed 2) is well suited to chop onions and meats, blend soups and smoothies or shred, slice, grate or rasp vegetables.

21+ functions

Accessories to easily perform 21+ functions

1,5 L Blender jar

Blender jar for blending, crushing and stirring

Stainless steel discs

Simply select the right stainless steel disc insert to prepare your favorite ingredient and click it onto the disc holder. Performance has been tested extensively to provide the best slicing and shredding results.

Citrus press accessory

This accessory is ideal for extracting fresh juice from all types of citrus fruit such as oranges and grapefruit.

Sturdy base

Sturdy base stands stable, even during kneading

Form fitting couplings & tools

This Philips food processor is designed to be very easy to assemble. Its parts simply click together thanks to the clever form fitting design of the accessories.

2 years guarantee

Philips offers a full 2 years guarantee for this product to ensure you have long lifetime product to use every day.

Dishwasher safe accessories

All Philips Food Processor accessories included in your box are dishwasher safe.
