Highlights

Ground coffee and pads

For your convenience you can choose between ground coffee pads

Ergonomic in day by day

Refilling coffee powder or water, emptying the filter or the drip tray. All compartments are directly accessible for maximum convenience.

2,5 liter water tank

The large water tank permits many coffee making with less refilling

Painted metal body

The painted metal body is sturdy and guarantees you long lasting Espresso experience.

Classic milk frother

This Saeco espresso machine comes with the classic milk frother that baristas call a "Pannarello". It dispenses steam and is immersed in milk to prepare gorgeous milk foam. Unleash your inner barista by preparing your delicious milk specialties the traditional way!

Cup warmer

Pre-heat your cups letting the aroma unfold even better and guaranteeing a long-lasting crema.
