### **A fast and close shave**

- Triple-Track shaving heads with 50% more shaving surface

### **Perfectly close, even on the neck**

- Flex and Pivot Action follows every curve

### **Simple replacement**

- Easy click off, click on

# Highlights

## Triple-Track shaving heads

The three shaving tracks of the Triple-Track shaving heads offer 50% more shaving surface than standard, single track rotary shaving heads.

## Flex and Pivot Action

Three independently flexing heads in a shaving unit that swivels with full range of motion. This unique combination ensures optimum skin contact in curved areas to catch even the most problematic neck hair.

## Super Lift & Cut technology

Dual-blade system of your Philips shaver: first blade lifts, second blade cuts for a comfortable close shave.

## Easy click off, click on

Easily renew your shaving unit using our click off, click on system.
