Highlights

Compatible with Click & Style

RQ32 replacement heads are compatible with Click & Style (YS5_...) shavers.

Simple replacement

1. Press the release buttons on the shaving unit and pull the shaving head holder off the shaving unit. 2. Turn the retaining rings in the direction of the arrows indicated on the retaining

ring and lift them out. 3. Take out the old shaving heads and carefully insert replacements; check that the heads align exactly in the setting. 4. Place the retaining rings back onto the shaving head holder and reattach the shaving head holder to the shaving unit ('click').

2D contour following

Advanced 2D contour following automatically adjusts to every curve of your face for a smoother shave.

Comfort shaving system

Imported shaving heads deliver an ultimately smooth shave that is gentle on the skin.
