# Highlights

## 27 self-sharpening blades

Keeps rotating against the cap to guarantee the blades stay sharp and prevent from irritating your skin.

## Skin guard technology

Protective cap that comes between the rotative blades and your face to avoid getting irritation and nick and cuts.

## ContourFlex

The shaver heads float in different directions for an improved hair catching even in areas difficult to reach.

## 30 minutes of cordless shaving

Shave cordlessly for up to 30 minutes after an 8-hour charge. This shaver only operates in cordless mode.

## Ergonomic design

Confidently handle your shaver with the ergonomic design that helps you keep a secure grip as you shave.

## IPX7 water-resistant

Easily clean under the tap, with the IPX7 water-resistant shaver. The IPX7 rating means that the shaver can be submerged in 1 meter of water for up to 30 minutes.

## Shave wet or dry

The wet and dry shaver can be used to your preference. At the sink or in the shower, get a convenient dry shave or pair with your favourite foam or gel for a refreshing wet shave.
