## 8-hours charging time

Shave longer with every charge, thanks to our powerful energy-efficient, long-lasting nimh battery.

## Built to last

All of our shavers come with a 2-year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.

## One touch open

Simply pop the heads open, and rinse thoroughly under the tap.

## Skin protection system

The unique skin protection system guards even your most sensitive body areas, allowing you to comfortably trim hair as close as 0.5mm without direct contact between the sharp edge of the blades and your skin.
