10x fewer nicks and cuts than a regular blade* Protects 10x better than a regular blade*

Protect your skin from nicks and cuts with Philips Series 5000 shaver. The ComfortCut Blades glide across your face giving you a smooth, close shave whilst reducing the number of nicks and cuts vs. regular razor blades. The powerful quick charging battery offers 40 minutes of shaving time or if you are in a rush use a 5 minute quick charge to get one full shave.

A comfortable and close end result

- Aquatec Wet & Dry
- Designed for a smooth shave
- 5-directional DynamicFlex heads

Easy to use

- 40 minutes of cordless shaving
- 2 year guarantee, worldwide voltage and replaceable blades

Get the most out of your shaver

- Perfect your look

Highlights

Cutting Technology

Our ComfortCut Blade System glides smoothly across your skin thanks to the rounded profile heads which help protect your skin from nicks and cuts and deliver a smooth and close shave.

Aquatec Wet & Dry

Shave your way. With the 100% waterproof Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet with gel or foam or even under the shower.

Comfort Technology

5-directional ContourDetect Heads follow every curve of your face and neck to give you an easy, comfortable shave even in tough to reach areas.

Usability

With a powerful, energy efficient and long-lasting lithium-ion battery, you can get 40 minutes of cordless shaving time from a one hour charge. That's about 13 shaves! Can also quickly charge for 5 minutes for a single shave. Comes with a UK 2-pin plug.

Accessories

Complete your shaving experience with the SmartClick Precision Trimmer- ideal for shaping your moustache and sideburns. Also included is a Protective Cap to ensure your new Shaver stays safe on your travels.

Built to last

All of our shavers come with a 2 year worldwide guarantee and can adapt to any voltage. The long-lasting blades only need to be replaced after 2 years.
