Aquatec Wet & Dry

Shave your way. With the 100% waterproof Aquatec Wet & Dry seal, you can opt for a quick yet comfortable dry shave. Or you can shave wet with gel or foam or even under the shower.

5 direction Flex Heads

5-directional ContourDetect Heads follow every curve of your face and neck to give you an easy, comfortable shave even in tough to reach areas.

Turbo+ mode

Shave even faster through dense parts of your beard with the 20% extra power boost you get by activating Turbo+ mode.

50 minutes of cordless shaving

With a powerful, energy efficient and long-lasting lithium-ion battery, you can get 50 minutes of cordless shaving time from a one hour charge. That's about 15 shaves! Or if you're in a rush, use a 5 minute quick charge to get one full shave. Comes with a UK 2-pin plug.
