S6540/90

## Clean shave. Reduced skin irritation.

Philips Norelco Shaver 6540 delivers a clean shave while reducing skin irritation. Only Philips Norelco has ComfortGlide(TM) rings, a special protective coating with skin gliding properties to shield your face from redness and irritation.

### Shaving performance

- ComfortGlide rings protect your face from irritation

### A close and comfortable result

- Blades raise then cut long and short hairs for a fast shave
- Get a convenient dry shave or a more comfortable wet shave

### Skin comfort

- Heads flex in 8 directions to catch hard-to-reach hair
- Click-on Trimmer for use on mustache and sideburns

### Easy to use

- 60 minutes of cordless shaving after a one-hour charge
- One touch open, for easy cleaning
- Fully charges in 1 hour or 5 minute quick charge
- 3-level battery indicator and intuitive display
- Replacement heads provide an additional year of close shaves

# Highlights

## ComfortGlide Rings

Shaving heads are surrounded with ComfortGlide rings, which have a special protective coating with skin gliding properties to shield your face from irritation. Series 6000 offers 10x better protection than the best-selling blade.

## MultiPrecision Blade System

Get a shave that's fast and close. Our MultiPrecision Blade System raises and cuts all hairs and remaining stubble – all in a few strokes.

## MultiFlex Heads

Heads flex in 8 directions to follow the curves of your face, even catching hair in hard-to-reach areas like the neck and jaw line.

## Shave wet or dry

Get a convenient dry shave or a more comfortable wet shave with gel or foam – even in the shower.

## Click-on Precision Trimmer

Click on our skin-friendly Precision Trimmer to finish your look. It's ideal for maintaining your mustache and trimming your sideburns.

## 60 minutes of cordless shaving

Shave longer with our powerful and lithium-ion battery. You'll have 60 minutes of shaving time – that's about 17 shaves – on a one-hour charge.

## 1-hour charge time

The powerful Li-ion battery fully charges in 60 minutes. Do a 5 minute quick charge and you'll have enough power for one shave.

## LED display

The intuitive display features a 3-level Battery Indicator – Cleaning Indicator – Battery Low Indicator – Replacement Head Indicator – Travel Lock Indicator.

## OneTouch Open

Simply pop the heads open, and rinse thoroughly under the tap.

## Replacement shaving heads

Includes SH50 replacement shaving heads for an additional year of close shaves.
