# Highlights

## SmartClick System

The SmartClick attachment system quickly turns your Philips Click&Style into a shaver or beard trimmer. Simply click the attachment you want onto the handle and get styling.

## Click-on/click-off attachments

Simply click the attachment you need onto the handle to turn your Philips Click&Style into a shaver or beard trimmer. Click it off again when you've finished. For smooth skin, choose the shaver attachment, for a perfect stubble, reach for the trimmer. One tool, any look.

## Smooth shave

Shave wet with shaving cream for extra skin protection, or dry for convenience.

## Smooth face

The dual rotary shaving attachment is designed for a close and clean shave with no nicks and cuts. The shaving heads move in 3 directions to easily follow your face's curves.

## Perfect stubble

Create anything from perfect stubble to a neatly trimmed beard or moustache. Get creative and then just rinse under the tap to clean.

## 5 different length settings

Choose from 5 length settings: 1 mm for perfect 3-day stubble to 5 mm for a short beard.

## Water resistant

Use wet or dry. Comfortably trim and shave in the shower if you prefer.

## Quick 1-hour charge

Up to 40 min of cordless power after only 1 hour of charging.

## Battery light

The battery light goes on to show when the battery is low, charging or is fully powered up.
