Perfection in every pass

Cuts up to 20% more hair* in a single pass

Our most advanced shaving system, the Series 9000 cuts hairs up to 30% closer to skin with its V-Track precision blades*. The shaving heads, with contour detect technology, move in 8 directions to cut up to 20% more hair in a single pass*.

Designed for perfection

- The shaving system that gets 30% closer
- Shaving heads move in 8 directions for a smoother result

A comfortable shave

- Choose a comfortable dry or refreshing wet shave
- Personalize your shave
- Lifts each hair up for a closer cut

Get the most of your shaver

- Even-up your mustache and sideburns
- Convenient case for on-the-go

Easy to use

- 50 minutes cordless shaving from a one-hour charge
- Built to last with a full 2 year warranty
- 5-level battery and travel lock Indicators

Highlights

50 minutes of cordless shaving

Shave longer and more powerfully. With the long-lasting lithium-ion battery, 1-hour is enough time to fully charge your shaver, while the 5-minute power boost is enough for a single shave. It also operates cordlessly for safe use in the shower.

Travel case

The sleek design of the shaver storage case takes up less space and the built-in ventilation chamber dries your electric shaver even when you're on the go.

Full 2 Year Warranty

Your shaver comes with a full 2-year warranty. Our Series 9000 Shavers are designed for performance and durability, promising you an extremely close shave time after time.

LED User Interface

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 5-level Battery Indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator

SmartClick Precision Trimmer

Refine and define your mustache and sideburns with the SmartClick precision trimmer—and complete your look with ease.

Personal Comfort Settings

Choose between normal or sensitive to create a shaving experience that best suits your skin. If you're in a hurry, select the fast setting to save some time.

Super Lift & Cut Action

Twin blades of this precision shaver give you a supremely close shave. The first blade lifts the hair, while the second comfortably cuts below skin level, which gives you exceptionally smooth results.

V-Track Precision Blades

Not only do the V-Track Precision Blades give you a super-smooth shave that's 30% closer*, they're also self-sharpening for continued results day after day.

Contour Detect Technology

The Philips shaver is an electric shaver that delivers our closest shave ever*. Its Contour Detect technology gently follows your facial contours to capture 20% more hairs* in a single pass.
