Superior closeness in a single pass Even on 3-day beards

The Shaver 9850 is the ultimate shaving experience. Its unique contour-detect technology, combined with specially upgraded V-track Precision Blades PRO, creates an unbeatably close and comfortable shave, especially on a 1-3 day beard.

Designed for perfection

- Captures each hair regardless of length
- Shaving heads move in 8 directions for a smoother result

A comfortable shave

- Personalize your shave
- Choose a comfortable dry or refreshing wet shave

Easy to use

- 60 minutes cordless shaving after a one-hour charge
- Advanced interface automatically lights up on contact
- Built to last with a full 2 year warranty

Get the most of your shaver

- Click-on beard styler with 5 length settings
- Convenient case for on-the-go

Highlights

V-Track Precision Blades PRO

Upgraded V-Track Precision Blades PRO gently captures each hair regardless of its length, from 1 day up to 3 day stubble. Cuts 30% closer* in fewer strokes, leaving your skin smooth and comfortable. The blades also self-sharpen to ensure a premium shave day after day.

Contour Detect Technology

The Philips shaver is an electric shaver that delivers our closest shave ever*. Its Contour Detect technology gently follows your facial contours to capture 20% more hairs* in a single pass.

Personal Comfort Settings

Choose between normal or sensitive to create a shaving experience that best suits your skin. If you're in a hurry, select the fast setting to save some time.

Shave Wet or Dry

The wet and dry shaver can be used to your preference. At the sink or in the shower, get a convenient dry shave or pair with your favourite foam or gel for a refreshing wet shave.

Digital display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3 digit (%) battery indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator

60 minutes of cordless shaving

Shave longer with every charge, thanks to our powerful and long-lasting Lithium-ion battery. Do a quick charge for 5 minutes and you'll have enough power for one shave. All Shaver Series 9000 models are designed to operate only in cordless mode - to ensure you'll always be safe when shaving with water, even in the shower.

SmartClick beard styler

Change your look with the SmartClick Beard Styler attachment. Choose from 5 length settings to create anything from a perfect stubble look to a short, neatly trimmed beard. Rounded tips and combs are designed to prevent skin irritation.

Full 2 Year Warranty

Your shaver comes with a full 2-year warranty. Our Series 9000 Shavers are designed for performance and durability, promising you an extremely close shave time after time.

Travel case

The sleek design of the shaver storage case takes up less space and the built-in ventilation chamber dries your electric shaver even when you're on the go.
