# Is there a manual?

You have a detailed user manual and FAQ on your player. You can also download the same files from this website: [www.philips.com/support](http://www.philips.com/support)

# Register your product

Since it is possible for you to upgrade your product, we recommend that you register your product on [www.philips.com/welcome](http://www.philips.com/welcome) so we can inform you as soon as new free upgrades become available.

# Don't forget about upgrades

We know you will enjoy your product for a long time. For best performance, leave the automatic update feature of the player enabled. The player starts to search for updates whenever you connect it to the computer. New updates and the Firmware Manager for your player are downloaded for free at [www.philips.com/support](http://www.philips.com/support). These downloads will help you to optimize your product's performance and to take advantage of our future support of new audio formats. Enjoy your new music experience.

# What's in the box

Earphones

USB cable

Silicon pouch  
with belt clip

Quick start  
guide

What else you'll  
need:

Computer

A computer with:  
Windows 2000, XP, Vista  
Pentium III 800MHz processor or higher  
128 MB RAM  
500MB hard disk space  
Internet connection (preferable)  
Microsoft Internet Explorer 6.0 or later  
USB port

# Overview of controls and connections

<b>A</b>		Headphones jack
<b>B</b>	<b>OPTIONS</b>	Offers a selection of options, depending on the current menu
<b>C</b>	<b>MIC</b>	Microphone
<b>D</b>	<b>RESET</b>	Reset
<b>E</b>	<b>-VOLUME+</b>	Increase/Decrease Volume (hold to increase/decrease fast)
<b>F</b>		Play/Record Pause Confirm selection Navigate forward
<b>G</b>		Navigate down/forward (hold to quick scroll down / fast forward)
<b>H</b>		Navigate back (hold to return to root menu)
<b>I</b>		Mini USB connector
<b>J</b>	 slider	Turn on/off lock/unlock all keys (except <b>-VOLUME +</b> )
<b>K</b>		Navigate up/back (hold to quick scroll up / rewind)

# 1 Install

- 1 Connect the mini USB plug of the supplied cable to the player.
- 2 Connect the standard USB plug of the supplied cable to your PC.
- 3 From the pop-up window, select **Install Philips Device Manager**.
- 4 Follow the on-screen instructions to complete the installation of **Philips Device Manager**.

If the pop-up window is not displayed automatically:

- 1 Select **My Computer** (Windows XP / Windows 2000) / **Computer** (Windows Vista).
- 2 Right click on **Philips GoGear Spark**.
- 3 Select **Install Philips Device Manager**.

# 2

## Connect and charge

### A Connect to PC

When you connect the player to the PC directly, it automatically charges.

- 1 Before you use the player for the first time, charge it for at least 2 hours.
  - > *The battery has a 100% charge after 2 hours and an 80% charge after 1 hour.*
- 2 Connect the supplied USB cable to the mini USB port at the bottom of the player, the other end directly to your PC.
  - > *The player will start to charge as soon as it is connected to your PC.*

## B Read the battery level indication of your player

The approximate power levels of your battery are indicated as follows:

Full

Two-thirds full

Half full

Low

Empty

**Note** When the batteries are almost empty, the low battery screen  blinks. The player saves all settings and unfinished recordings and switches off in less than 60 seconds.

## 3 Transfer

The player appears as a USB mass storage device in Windows Explorer. You can organize files, and transfer music to your player during USB connection.

- 1 Click and highlight one or more songs to transfer between the player and the computer.
- 2 Use drag and drop actions to complete your transfer.

**Tip** To transfer music CDs to the player use software such as Windows Media Player, rip (convert) the songs on your music CD into MP3/WMA files. Copy the files into the digital audio player via Windows Explorer. Free versions of such programs can be downloaded from the Internet.

# 4 Enjoy

## A Turn on and play

- 1 To turn on, push the  slider to position **POWER** and hold until the display shows the Philips logo.
- 2 To turn off, push the  slider to position **POWER** and hold until the display shows 'Bye'.

## B Main menu

 Music	Play digital music tracks
 Pictures	View pictures
 FM Radio	Listen to FM radio
 Recordings	Create or listen to recordings
 Folder view	View folders
 Personalize	Personalize the theme and display
 Settings	Customize the settings of your player
 Now playing	Go to the play screen
Last played	Resume play

### C Navigate the menu

Your player has an intuitive menu navigation system to guide you through various settings and operations.

Goal	Action
Return to previous menu	Press ↶
Return to main menu	Press and hold ↶
Browse through menus	Press ▶ or ↶
Scroll through a list	Press ▲ or ▼

### D Listen to audiobooks

The player supports books in audio format. The use of this feature requires that you download the AudibleManager from [audible.com](http://audible.com). With the AudibleManager you can manage the digital contents of your audiobooks.

Visit [audible.com](http://audible.com) and register. The onscreen instructions guide you through the AudibleManager software download process.

# Music mode (also play mode for recordings)

The player offers the following music mode options:

Goal	Action
Play / Pause music	Press ►
Skip to next audio file	Press ▼
Return to previous audio file	Press ▲
Fast rewind	Press and hold ▼
Fast forward	Press and hold ▲
Return to browsing menu	Press ↺ key
Increase volume	Press Vol +
Decrease volume	Press Vol -
Access options menu on play screen	Press OPTIONS

# Radio

From the main menu, select  to enter radio mode.

## Connect the headphones

The supplied headphones serve as a radio antenna. Ensure you connect the headphones properly for an optimal reception.

## Auto tune

1 While in the Radio menu , press **OPTIONS** and select **Auto tune**.

> *The radio automatically tunes radio stations and saves the frequencies to presets.*

*The radio can store up to 20 radio station to presets.*

## Play a preset radio station

1 From the Radio menu , select the preset.

2 Press **▲/▼** to change to another preset.

- To exit radio, press  for 2 seconds.

# Recordings

You can record audio with the player.

## Make recordings

- 1 From the Recordings menu  select **Start voice recording**.
  - > *The player records and shows the recording display.*
- 2 Press  to toggle between pause and record.
- 3 Press  to stop and save the recording.
  - > *Your recordings are saved on the player. (Filename format: VOICEXXX.WAV where XXX is the recording number, which will be automatically generated.)*

## Play recordings

- 1 From the main menu, select  > **Recordings Library** > **Voice**.
- 2 Press  or  to select the recording you want to hear.
- 3 Press  to play.

# Troubleshooting

## How do I reset my player?

Insert a pen tip or other sharp object into the reset hole located at the bottom of the player. Hold until the player shuts down.

**If none of the above works, then you may have to use the Device Manager to recover your player:**

- 1 Launch the **Philips Device Manager** at **Start > Programs > Philips Digital Audio Player > SA29XX > Philips SA29XX Device Manager** on your PC.
- 2 Press and hold the **OPTIONS** button while your player is connecting to the PC.
- 3 Keep holding the key until the **Philips Device Manager** acknowledges your player and goes into recovery mode.
- 4 Click the **Repair** button and follow the instructions given by the **Device Manager**.
- 5 After the player has been repaired, disconnect it from your PC and re-start.

# Disposal of your old product and the integrated battery

All our products are designed and manufactured with high quality materials and components, which can be recycled and reused.

The crossed-out wheel bin symbol on a product means that the product is subject to the European Directive 2002/96/EC. This symbol can also be used in combination with a chemical symbol, which means that the product complies with the environmental directive for that chemical.

Never dispose of your product with other household waste. Inform yourself or ask your dealer about local environmentally safe recycling regulations. The correct disposal of your old product helps prevent potentially negative consequences for the environment and human health.

Your product contains a built-in rechargeable battery covered by the European Directive 2006/66/EC, which cannot be disposed with normal household waste. To safeguard the functionality and safety of your product, always bring your product to an official collection point or service centre where a professional can remove / replace the battery as shown in user manual.

Please inform yourself about the local rules on separate collection of batteries because the correct disposal will help prevent negative consequences for the environmental and human health.
