Highlights

Extra wide soundstage

These portable speakers create an extra wide stereo soundstage when they are placed apart, so that each musical instrument appears to occupy a different physical space. The sound is more 3-dimensional and realistic.

Universal 3.5mm headphone jack

Plug and play with any of your mobile devices that have a 3.5mm headphone jack – iPod, iPhone, GoGear, MP3 players, laptops, netbooks, music phones and more.

Integrated amplifier

Boost your music with an integrated amplifier! The powered amp intensifies the audio for a better stereo experience.

Integrated cable management

Integrated cable management means the product is designed to hold the cords to keep everything neat and organized for travel or storage.

Magnetic snap-together design

Click together and go! The magnetic base keeps the speaker system together so you can easily take them with you.

Two drivers

These speakers feature two drivers, delivering surprisingly clear and powerful sound from a small space.
