Highlights

40 mm speaker driver

The 40 mm speaker driver is made of a composite mylar material for a highly sensitive yet powerful element that delivers sound without audible distortion.

DJ monitoring style

It is a reversible ear-shell for listening with one ear

1.2m cable

The ideal cable length to give you the freedom to put your audio device where you want.

1.8 m extension cable

Give yourself more freedom of movement with an extension cable fitted with a standard 3.5 mm socket on one end and a standard 3.5 mm plug on the other.

24k Gold-plated adaptor

Be assured of a perfect connection and high-quality sound regardless of whether your audio devices are fitted with 3.5 or 6.35 mm jack sockets.

Audio jack adaptor included

With this adaptor, you can use your headphone on equipment with either 3.5 or 6.35 mm jacks, giving you a wider choice of audio devices.

Foldable headband

The headphone can fold down to a small size for convenient storage when not in use.

In-line volume control

Adjust the volume to your preferred level without having to go to the audio source unit.
